Off-site sponsor Ad control	✓	✓	✓	✓	Drag your sponsor logos onto your scoreboard. From your home or office PC*.
Multiple scoreboard layouts & Ads		✓	✓	✓	You can request 2 additional variations on your layout p.a.

COMMON QUESTIONS:

Besides the Seniors, we have a Junior club & a Super-rules club using the same scoreboard + apps. Do all 3 clubs need separate memberships?

No. The same membership is enough. Unless you need separate support (see question below).

We are a separate club that shares a Solid system, but want our own ads + graphics to run separately?

Your club can join a S1 membership (you may need approval from the scoreboard owner).

We have a 2nd Solid system running on the "East Oval" (same reserve). Do we need to pay twice?

Not the full membership. Add on the S5 membership to cater for this extra support.

Refers to a single season per club, for a period of 1 year. AFL & cricket are separate memberships. GST included.
* Internet required on the scoreboard PC (does not need to be on 24/7).
NOTE: Basketball and Lawn Bowls systems are separate to these memberships.
"Standalone" can mean: (1.) an existing Solid club running the old standalone scoring, or
(2.) a club running non-Solid scoring, that just wants some extra Support.
